Position Title: Global Graduate Program – Underwriting, Sales Analyst, or Finance

Opportunity Type: Full-time
Opportunity Location: Chicago, IL
Opportunity Start Date: 08/20/2012

Job Description:

Allianz Global Corporate & Specialty (AGCS) offers our clients Insurance and Risk Management solutions across the whole spectrum of the business, delivered worldwide by one Global Company. Through our diverse product portfolio, we provide insurance for more than half of the FORTUNE GLOBAL 500 companies and have market-leading capacity to manage the largest risks. We are proud of our consistently strong ratings: AA ('very strong') from Standard & Poor's and A+ ('superior') from A.M. Best.

AGCS Global Graduate Program opportunities exist in the following areas:

- Underwriting
- Sales Analyst
- Finance

Our AGCS Global Graduate Program

The 24-month program commences August 2012. It will be launched in the Americas and UK and will prepare successful roles in our core Underwriting, Sales and Finance Lines of Business.

If selected as an AGCS Global Graduate you will benefit from:

- In-depth knowledge of the insurance business through on-the-job development in your chosen function and rotation to additional department(s)
- A two-month international business trip to a division outside your home country
- Mentoring and regular feedback from experienced business leaders
- Learning opportunities at the global AGCS Academy
- A lasting global network with your peers helping to further shape your career at AGCS
- An exciting career in a leading, truly global company.

Our ideal candidate

You are among the top graduates of your class and completed your university degree or post-graduate study in a related field (Economics, Business Administration, Law, Engineering or similar).

As the ideal candidate for the Global Graduate Program you should be able to offer:

- Master's Degree
- Relevant work experience, e.g. internship, preferably with an insurance company in a related business function
- International experience and willingness to work outside of your home country, demonstrated by a previous stay abroad of at least six months
- Fluency in written and spoken English, plus fluency in a second language (Spanish or Portuguese preferred)
- Affinity for the insurance business

- Professional “can do” attitude, flexibility and openness towards a dynamic work environment
- Motivation, enthusiasm and drive for success
- Strong analytical skills and ability to handle complexity
- Interpersonal skills to effectively work within a team
- Proficiency in MS Excel and Power Point.

Preferred Skills:

- Master’s Degree
- Relevant work experience, e.g. internship, preferably with an insurance company in a related business function
- International experience and willingness to work outside of your home country, demonstrated by a previous stay abroad of at least six months
- Fluency in written and spoken English, plus fluency in a second language (Spanish or Portuguese preferred)
- Affinity for the insurance business
- Professional “can do” attitude, flexibility and openness towards a dynamic work environment
- Motivation, enthusiasm and drive for success
- Strong analytical skills and ability to handle complexity
- Interpersonal skills to effectively work within a team
- Proficiency in MS Excel and Power Point.

Apply now!
