

## *Global Graduate Program – Finance – Chicago*

Allianz Global Corporate & Specialty is a member of Allianz Group, one of the largest and most renowned financial services providers in the world representing an international network of strong brands with first-class products. Above all, we strive for commitment to excellence in our daily business, in our relationships with customers, shareholders, employees and society. The Allianz Group serves more than 75 million customers in over 70 countries.

We have an entry level Finance opportunity within our upcoming Global Graduate program.

### Our Global Graduate Program

The 24-month program will start in October 2012. It will be carried out in the Americas and UK and will prepare you for a successful role in our key Underwriting function.

As an AGCS Global Graduate you will benefit from:

- In-depth knowledge of the insurance business through on-the-job development in your chosen function and rotation to additional department(s)
- A 2-month international business trip to a division outside your home country
- Mentoring and regular feedback from experienced business leaders
- Learning opportunities at the global AGCS Academy
- A lasting global network with your peers helping to further shape your career at AGCS
- An exciting career in a leading global company

### Our ideal candidate

You are among the top graduates of your class and completed your university degree or post-graduate study in a related field (Economics, Business Administration, Law, Engineering or similar).

As the ideal candidate for the Global Graduate Program you should be able to offer:

- Relevant work experience, e.g. internship, preferably with an insurance company in a related business function
- International experience and willingness to work outside of your home country, demonstrated by a previous stay abroad of at least six months
- An understanding of a second language
- Affinity for the insurance business
- Professional “can do” attitude, flexibility and openness towards a dynamic work environment
- Motivation, enthusiasm and drive for success
- Strong analytical skills and ability to handle complexity
- Interpersonal skills to effectively work within a team
- Proficiency in MS Excel and Power Point.

At Allianz Global Corporate & Specialty we have built a team and a culture that are as innovative as our products, and we continue to grow because we help our employees to do the same. We believe that work should be rewarding, and that good work should be rewarded. We offer opportunity, and expect excellence. And we do this all with high ethical standards and a commitment to our community. If you are ready to grow, and if you want to be rewarded, Allianz Global Corporate & Specialty is the place for you.
