Salary/Wage range: \$35,000 – 45,000

Opportunity Start Date: 10/18/2011

Opportunity End Date: 11/04/2011

Job Description:

Momentum Risk Management, a nationally focused firm, is looking for an energetic, self-motivated individual to help with policy design and case structure. Momentum, works with ultra-affluent families and successful business owners to assist them in mitigating risks associated with their family and business activities. When the solutions require insurance, we structure large, multi-carrier cases with a variety of applications. This position would report directly to the head of corporate policy and strategy design, and have significant room for growth within the company.

Preferred Skills:

- Insurance policy design
- Illustration software experience
- Microsoft Office Suite
- Creativity

*If you are interested in applying for this position, please email Joshua at jwc@momentumrisk.com for consideration.
