Position Title: Financial Representative Internship

Salary: Will be discussed

Opportunity Locations: Moline, IL; Davenport, IA; Dubuque, IA; Cedar Rapids, IA; Waterloo, IA; Decorah, IA; Iowa City, IA

Job Description:

College Financial Representatives with the Northwestern Mutual Financial Network have the same opportunities to build their careers as full-time representatives. Supported by our network of specialists, training programs and mentoring opportunities, interns have access to the resources, products and assistance they need to help their clients and build their practices.

Like financial representatives, interns strive to understand their clients' goals and visions in order to uncover financial solutions that put them on a path to success. Financial Representative interns are in Business/Business for themselves – but they're not alone.

Accolades and Assessments:

- The Northwestern Mutual internship program has been named "one of America's Top Ten Internships" for 15 consecutive years by Vault Guide to Internships.
- Northwestern Mutual was named one of "the 50 Best Companies to Sell For" in 2010 by Selling Power Magazine
- Named "World's Most Admired Company" in the Insurance: Life and Health category by FORTUNE® Magazine in March 2011

Opportunity: Our Northeast Iowa offices provide tools, resources and training to help you discover and build your markets to develop a successful practice as a Financial Representative intern. At Northwestern Mutual we believe training is a process, not an event. Can you envision a life of real world compensation, freedom and calling your own shots? Many college students cannot. The Northwestern Mutual internship is a valuable opportunity for students to combine Liberal Arts & Sciences/Classroom learning with a real-life look into what they could truly make of themselves.
