Position Title: Claims Intern

Opportunity Type: Internship
Opportunity Location: Overland Park, KS

Swiss Re is a leading and highly diversified global reinsurer. The company operates through offices in over 25 countries. Founded in Zurich, Switzerland, in 1863, Swiss Re offers financial services products that enable risk-taking essential to enterprise and progress. The company's traditional reinsurance products and related services for property and casualty, as well as the life and health business are complemented by insurance-based corporate finance solutions and supplementary services for comprehensive risk management. (For more company information, go to www.swissre.com)

Job Description:

Claims and Liabilities is one of Swiss Re's three core business pillars next to underwriting and client management. Through proactive, effective management of global liabilities and retro assets, we have a major impact on the strength and performance of the company. We are one of Swiss Re's largest teams with a significant customer touchpoint aspect in our activities.

The Claims and Accounting Liability Management Intern will be responsible for the following:

- Assist in processing reinsurance claims by analyzing treaty and policy coverage (which involves working with IT systems, including the entry of data)
- Review claims data to ensure accuracy and compliance with policies and procedures.
- Build relationships with customers by communicating verbally and in writing to obtain claims information.
- Take part in projects in the business groups, divisions and business units (ad hoc)
- Assist in conducting claims reviews and audits at cedents' offices.

Acceptable majors include: Business, Finance, Economics, Marketing or pre-Law.

Program Details:

Every year, Swiss Re offers internships to a number of bright and highly motivated students, enabling them to benefit from the company's global perspective and to discover the world.

A Swiss Re internship can be much more than a temporary job - it can be your first step to a rewarding career.

The program is expected to last 10 - 12 weeks, offers competitive salaries, and is offered in different Swiss Re locations.

Requirements:

- In Junior year of an undergrad degree program
- Exceptional academic performance
- Highly motivated with an ability to work in a collaborative environment
- Strong analytical and quantitative skills
- Excellent written and verbal communications skills, especially of complex solutions.
- Ability to sustain high level of work output and meet very tight deadlines.
- Independent thinking and creative problem solving skills
- Advanced Excel, PowerPoint and good computer aptitude is also required.

Interested candidates should apply through www.swissre.com/interns. Applications will only be accepted through our website.
