

Insurance Operations Leadership Development Summer Internship Program

[Job I.D. #]

Are you seeking a challenging, fast paced, rewarding internship that could potentially lead to a career opportunity with a Fortune 100 company?

The Insurance Operations Internship Program provides qualified students an excellent opportunity to gain first-hand business experience, receive valuable on-the-job training, and learn about the many career opportunities available in Insurance Operations. Interns are provided exposure to all levels of management and have the chance to collaborate and network with other development programs during business workshops, work assignments and social events.

Successful performance during the Internship could lead to full time position upon graduation in our Insurance Operations Leadership Development Program (IOLDP). The goal of the IOLDP is to attract and develop individuals with diverse backgrounds and prepare them for responsible leadership positions in Operations.

Program Components:

- Challenging professional work experience in the insurance industry
- Individual and group project work
- Business overviews, speaker forums, and career development workshops
- Formal mentoring program
- Competitive hourly rate
- Subsidized apartments for students who live beyond a commutable distance
- Intern-run committees such as the Networking and Community Involvement Committee

Internships are located in Hartford, CT and St. Paul, MN and will run approximately 10-12 weeks from May - August
