

Janet Terwelp

Company Name: Amerisure Insurance

Current Job Title: Marketing Underwriter

Job Description:

I have many job responsibilities. I would say my main focus is managing a relationship between our Arkansas agencies, their clients, and Amerisure. I also review applications, analyze risk, and determine the proper premium to charge. I work on both renewal and new business accounts. Basically I will work on anything that is submitted by our Arkansas agents. This typically consists of commercial Construction and Manufacturing types of risks. Amerisure writes Workers' Compensation, Auto, Property, General Liability, Inland Marine, Crime, and Umbrella Insurance. I

A Typical Day:

So far I have yet to experience a typical day. My days seem to vary between working on quoting and issuing accounts to visiting our Arkansas agents and policyholders. There is also a lot of administrative responsibility like documenting files, following up on emails, answering phone calls, and attending numerous meetings/conference calls.
