

# Associate Insurance Development Program

If you strive for excellence and are committed to personal and professional growth, Amerisure is looking for you!

FIND OUT MORE ABOUT US AT [WWW.AMERISURE.COM](http://WWW.AMERISURE.COM)

## The perfect way to launch your career!

Why settle for a program that trains you in one area of commercial insurance operations when you can learn all five? Be one of the few chosen to participate in Amerisure's 12-month Associate Insurance Development Program. Develop understanding, knowledge and skills while experiencing each major discipline of the Company.

## Is this the program for me?

The Associate Insurance Development Program is designed specifically for recent college graduates with an interest in commercial insurance. To achieve maximum benefit from this professional development program, Associates must be eager to learn and be ready for new experiences.

"I entered Amerisure's Associate Insurance Development Program immediately upon graduation from college. The extensive, hands-on training I received has provided me with the resources to excel in my role as a Marketing Underwriter."

APRIL DEKKER  
MARKETING UNDERWRITER

## How does the program work?

The Associate Insurance Development Program is a professional training program for those with minimal insurance experience. Designed to accelerate advancement as an insurance professional, individuals participate in fast-paced, comprehensive training rotations in:

- Marketing Underwriting
- Loss Control
- Claims
- Premium Audit
- Credit

Participants are involved in classroom, self-study and on-the-job training. Upon successful completion, individuals are eligible to interview for advancement to a position as a Developmental Marketing Underwriter.

## Qualifications

- Bachelor's degree in insurance or risk management preferred
- Experiences that demonstrate initiative and innovative thinking
- Team player with a strong commitment to exceptional service delivery
- Strong consideration given to students actively involved in leadership roles
