Address: 1 Happ Road; Northfield, IL; 60093

Telephone: 847-205-1996

Company's Website Address: www.ojllc.com

Title of Position: Case Design Manager

Opportunity Location: Northfield, IL

Start Date: 07/01/2008

We'd like you to be a valued member of our stable, family like company where each person's expertise is sought after and highly regarded.

Ormiston Jamieson LLC specializes in the design and funding of business succession plans, employee and executive fringe benefits, tax qualified employee benefits, estate liquidity and wealth transfer plans, and retirement plans. We provide sophisticated insurance and retirement planning for physicians; major law firms, their partners and associates; business owners; executives and affluent individuals and families.

This individual is primarily responsible for developing and designing product solutions which includes preparing financial analysis, utilizing carrier software, and assisting in the development of presentation and marketing materials.

Requirements: College Graduate with a solid accounting/financial background. Experience in the Life Insurance Industry is a plus, but not necessary. Must have experience with Powerpoint & Excel software. Must be detail oriented, self motivated, ability to organize, prioritize and manage multiple tasks, able to perform well under pressure.

Full benefit package. Salary commensurate with experience.
