Title of Position: Underwriting Trainee/Intern

Opportunity Location: Rolling Meadows, IL

Preferred Skills: Efficient in oral and written communication, have a strong desire to learn, the ability to work independently, and be a self-starter

Monitor Liability Managers, Inc is currently searching for an Underwriting Trainee/Intern to learn all lines of our business, including Management Liability, Employment Practices Liability, Lawyers Professional Liability and Directors & Officers.

A strong reputation as a premier provider of professional liability insurance products has positioned Monitor to continue with our growth. If you strive for a fast paced and entrepreneurial environment, then this is the opportunity for you. Join a dynamic organization where your business experience, innovation and relationship building skills are utilized to the fullest, consistently appreciated and genuinely valued.

Candidates will learn the following job duties: (1) Support the achievement of established department goals related to profit, growth, customer service and producer relations. (2) Evaluate risk characteristics to determine potential business opportunities in accordance with guidelines and philosophy. (3) Develop and maintain assigned brokerage relationships. (4) Demonstrate teamwork abilities and when working with other members of the department and company.

To be successful, you must have the initiative and desire to succeed. You must be a Junior or Senior (or a recent college graduate), efficient in oral and written communication, have a strong desire to learn, the ability to work independently, and be a self-starter. (Degrees Preferred: Finance, Economics, Insurance or related fields).

Monitor offers employees an excellent opportunity for professional growth as well as personal satisfaction. We offer a team environment that values the balance of work and family.
